## Pending Players

-  Seriow - Reason: Evidence supporting use of Slow Mo, refuses to prove his legitimacy
-  Fake Sanma-san (127mk7) - Reason: Substantial evidence supporting this person is Casey-B
-  Teremi\* - Reason: See Note below
-  Aokiji (Glacelon) - Reason: Former LC WR without any proof of legitimacy and has no other times even close to Japanese Top 10
-  Seek - Reason: Substantial evidence supporting this person is Joel aka Ghetto
-  Desire - Reason: False Time Submissions
-  kmwh (Qatar 22, Qataar) - Reason: Many WW Tops, unknown player. TT history is promising though.
- Swikan - Reason: Achieved former 3rd WW on MC NG with no track history and achieved former 3rd WW on rMC with very little track history.
-  Prieboy - Reason: False Time Submissions

*"Teremi posted a "WR" vid of CM on March 19th. He claimed it was WR, then almost 2 weeks later, April 1st came along. He then randomly changed the title by taking out the [WR] and adding [TAS], (claiming it was an April Fool's joke). It's obvious he tried passing off that time as legit then tried using April Fool's as an excuse when he couldn't commit with his decision. There is no actual proof that he intended to post a cheated time as a legitimate time, only reasonable articulate suspicion, so he's put on the Pending list instead of the Banned list.*

So Walter is banned just for Live replay? I don't think so.

 Fake Sanma-san (127mk7) - Reason: Substantial evidence supporting this person is Casey-B

So how exactly is 127mk7 Casey-B? What is the proof that shows it is him?

Keiichi told me to talk to you, and I don't know how to contact Cole.

Proof that CaseyB = 127mk7:

1. These two videos appear to be filmed with the same camera and both have a skype screen in the reflection:  
<http://www.youtube.com/watch?v=ISKEYDA4vBc> SaveFrom.net  
<http://www.youtube.com/watch?v=ZsbaSdZfc> SaveFrom.net

The mkwi videos on the two channels also have similar quality.

2. Go to <http://www.youtube.com/127mk7> in Firefox. Tools -> Page Info. Hover/Copy the keywords and you'll get:  
"sanmasan さんまん horseface mario kart mkw mkwi mkds mk7 マリオカート マンダー mander mandemka god world record holder glitch non shortcut ultra bc3 bowser castle circuit cocanut mall ひめっち 姫っち Evetrance Bjork NTTWestJPN TB1 GOD 127 (けいしーグレイシー Casey · B mc cm wr sc KCB TIBiUan Mick Gimmick superoyshykarter tas legit hack pro goat NOBUO"

Note the "Casey B" and "KCB". These are set by the Youtube user.

3. Casey B often used Sanmasan's name+Mii, like in this GV2 TAS ghost:  
<http://ninrankings.org/ghostdatabase/ghostviewer.php?id=18336>

That is only some of the proof...

About him impersonating Bjork (MKDS):  
Many MKDS players could have the bjork2.avi video because it was originally uploaded to 4shared/Rapidshare.  
Only the real Bjork has the actual 6/6 SC RR video.

I attempted to get 127mk7 to upload Bjork's RR run, which is why I didn't post this proof earlier. I thought there was a chance that CaseyB could be Bjork because he did a similar thing in MKWi (making a TAS run and claiming to be a Japanese player).

However, after talking to others I think it's unlikely that CaseyB is Bjork.  
He definitely is 127mk7 though, and has cheated in MKWi TTs.

^^^Quoted from a post that Cole made on the MKWPP forums in the MKW TAS section

**It should be noted that the Casey-B keyword from 127mk7's YT was removed shortly after Cole made that post (how ironic)**

**Also - Cole's post is from Aug. 23, just in case a link to not working, etc, etc**

Move Fapencio to Banned Players.

His 52.423 on GV2 glitch copied the glitch from Axel's 52.148.

I have found this by looking at the inputs. But the videos show it as well:  
Fapencio's 52.423: <http://www.youtube.com/watch?v=reIKCpeHd9o>  
Axel's 52.148: <http://www.youtube.com/watch?v=6jZXNgOe3Q>
