updated new MC WR by Takemi with video link. Removed Seek's times from ww top 10 and american top 10, then added him to Pending Players. I gathered some damning evidence, I will not speak about it (go ahead and complain), I do not want Seek to figure out what I did. thank you Aruba

You forgot me on the "spearmaster" top

I have rPB #3 = 10 pts and MC #6 = 4 pts so thats 14 points.

Also you should make a glitchmaster top 10 to see who's the best glitcher 8)
